

MARK BIXBY VILLAGE YMCA Camp Oakes

After Mark Bixby's tragic death in 2011, friends and family came together to make his dreams for YMCA Camp Oakes a reality.

legacy.

On July 18, 2019 Jean Bixby Smith and Mike Jenson cut the ribbon to open ten new cabins and complete Phase 1 of the Mark Bixby Village at YMCA Camp Oakes.

Join us in celebration of the completion of Phase One and continuing the dream with Phase Two.

FULFILLING THE VISION

To celebrate the achievement of Phase One, a path will be built to connect the new village with the soon to be updated footprint of Phase Two.

Already underway, Phase Two will refurbish existing buildings, tying them into the new village.

Be a part of the Mark Bixby legacy

Bixby Way will add a new fellowship patio to the Mark Bixby Village and connect existing pathways to create easy access for all.

Engraved paving stones bearing the names and wisdom of our friends and supporters will line the route. We hope you will join us and proudly add your name to the list of those who helped fulfill the vision.
